TIPS ON COMPLETING THE SCHOOLCHOICE PROCESS SUCCESSFULLY

1. **Take your time** – There is no advantage to turning in a first round SchoolChoice Form early.

3. **Visit your top choice schools** – Contact the schools directly to find out about tours, open houses, and other opportunities to get to know that school.
4. **Complete any additional qualification requirements** – Check the *SchoolChoice Enrollment Guide* or the SchoolChoice Form for schools that have additional qualification requirements. Contact those schools directly for information on the specific requirements and deadlines.
5. **Complete the SchoolChoice Form and gather all required documentation** – Use the SchoolChoice Form Checklist below as a reference.
 - 5a. Be sure to complete section 4 of the SchoolChoice Form to receive any additional considerations that a school may offer and you may be eligible for.

5. RANK YOUR TOP FIVE (5) PREFERRED SCHOOLS. Fill in the “1” circle completely next to your MOST-preferred school/program(s). Fill in the “2” circle completely next to your SECOND most-preferred school/program(s), etc. You may choose up to five of any of the schools listed below and are not limited to any one geographic area.

PLEASE NOTE:

- Listing only one preference does not increase your chances of being assigned to that school.
- Your child will be assigned to your most-preferred school with available space, as determined by each school’s enrollment priorities. For a list of individual schools’ enrollment priorities, visit <http://schoolchoice.dpsk12.org> or call 720-423-3493.
- If your child is a transitioning student and would most like to go to your neighborhood boundary school, please fill in that circle as your #1 choice. Transitioning students are guaranteed enrollment at their neighborhood boundary school, and do not need to indicate any other school preferences. If you reside in an enrollment zone, your student is guaranteed enrollment at one of the schools within the zone.
- Please visit <http://maps.dpsk12.org> or call 720-423-3493 to find the neighborhood boundary school that corresponds to your home address.
